$38.99
CCDBW

Mini Surveillance Camera CCD Color Pinhole Lens

Want the chance to see what you have been missing? The CCDCO miniature pinhole camera is the perfect solution for low cost, undetected, do-it-yourself surveillance. The kit comes with everything you need to get monitoring. This camera is very small (36x36x18mm) but just as powerful as most full size cameras and has a high resolution of 420 TV lines.

$79.50
CCDCO

Portable Covert Security DVR w/ Built-in Color Pinhole Surveillance Camera

The PI1000 is a complete video recording system that is both compact and discreet. A built-in color camera catches all the action and the video is recorded onto the included SD card. The best part is, this device looks like an ordinary motion sensor, allowing you to monitor any location discreetly.

- All-in-one security recording system is portable enough for virtually any application
- Set to record only when movement is detected and customize the motion detect sensitivity
- MPEG-4 Compression allows for hours of recording without sacrificing quality
- All footage is recorded on to the included 512MB SD card

$249.99
PI1000

Mini Handheld DVR with MPEG4 Compression

The CVP800 is a miniature, portable, and fully functional DVR that allows you to monitor and record camera footage in your home or business. It has a built-in card reader/writer that provides direct recording onto a Secure Digital (SD) card.

- Removable storage with SD card slot (SDHC up to 32GB card)
- Small and portable
- Battery operable
- Time/date stamp
- MPEG-4 compression
- Easy to set up and use
- Motion detection and scheduled recording options
- Records audio

$199.99
CVP800

Wireless Outdoor Color Night Vision Security Camera System

Want to see and hear everything outside your home or business at all times without the presence of wires? Then the WSE201 system is for you. The small but powerful bullethole camera is wireless and features automatic night vision (CDS sensor). As soon as it gets dark the infrared LEDs will activate and provide you with a clear view of everything.

- Easy plug and play installation
- Built-in microphone for audio
- 8 infrared LEDs lets you see in the dark
- Durable aluminum casing (camera)

$95.99
WSE201

Digital Wireless Child Tracker Wrist Watch and Kid Finder/Locator

Have peace of mind with the Levana Digital Wireless Child Tracker. This system comes with a watch that your child wears and a locator that you wear. Simply clip on the locator using the attached belt clip, and you can track your child using a digital signal, up to 150ft away. If your child moves too far away, an alarm will sound on the locator. With three different boundary settings, you can specify the distance your child can go before the alarm sounds. When the alarm is activated, you will be alerted and the child's watch will also make a high-pitched noise. LED lights on the locator will activate and point in the direction of your child.

$89.99

Payment Methods: ShopTronics.com only accepts VISA, MasterCard, and American Express credit cards as payment for all purchases. Current billing address and phone information must be included with every order. For your protection, credit card orders may be delayed while we confirm your billing information. ShopTronics.com reserves the right to request additional evidence for proof of billing information.

Delivery: ShopTronics.com uses UPS carrier service exclusively for orders. Products will be shipped within 2 business days via UPS ground, or UPS standard services from the time we receive your order. Delivery times are stated in business days, and do not include order processing times. UPS does not deliver on Saturdays, Sundays, or holidays. All orders must be shipped by designated carrier service (no will-call or pick-up) and deliveries will require signature for release. We will only deliver to the address of the credit card holder.

All shipping prices are quoted in U.S. dollars. C.O.D. orders cannot be accepted. ShopTronics.com will only ship orders within the United States and Canada. ShopTronics.com does NOT ship to PO boxes, APO/FPO or overseas addresses. All items are shipped insured. Once your order has been shipped, you will receive confirmation by email including your tracking number and links to track your order on-line with UPS.

Billing Address: Your billing information must be the same as listed for you by your credit card provider. We do not accept international credit cards.

Credit Card Fraud Protection For Customers Wishing To Ship To An Address Other Than Their Billing Address: In order to protect our customers from credit card fraud the billing & shipping address on your order form must exactly match the billing address to which your monthly credit card statement is mailed. If billing and shipping addresses are different, please contact your credit card issuing company to add the alternate shipping address as a authorized secondary address. Your credit card company's phone number can be found on the back of your credit card. The credit card company doesn't allow us to ship to non-verified shipping addresses for customer's protection against fraud.
